PRICES TO NURSERYMEN ONLY

SURPLUS LIST, JANUARY 1911

We guarantee all stock to be healthy and true to name, and should any be otherwise, we will replace such stock, or refund the purchase price; but are subject to no other damages.

Inspector's certificate with every shipment.

We have the I. & G. N., the H. & T. C., and M., K. & T. Railroads, and the Pacific, Wells-Fargo, and American Express Companies.

Southwestern and Independent telephones. All telegrams are phoned to us promptly.

We have a frost-proof packing house, 120x180 feet, in which trees are handled without exposure.

Shipping season extends from about last of October to April.

Usual Terms.—Boxes and bales at cost. Purchaser pays freight.

Fifty trees at hundred rates, and five hundred at thousand rates.

Descriptive catalog sent upon application.

See Peach Seedlings, next page.

We offer in this list only what we have in actual surplus. Stock is very short this season in almost all lines, but what we have is strictly first class. Besides the varieties quoted herein, we have small amounts of a few others, which we might supply upon inquiry.

100,000 Peach Seedlings

\$5.00 per 1000; \$40.00 per 10,000.

One year old, lead pencil size, for grafting or lining out for early spring or June budding.
